Add up the benefits of EasyChoice®

EasyChoice has been designed to increase your cash flow while helping to minimize large, unexpected payments following a premium audit. When you purchase a Hartford workers' compensation policy, you can enjoy the following benefits:

- Eliminate large down payment at the beginning of the policy year
- Achieve better cash flow management
- Freedom from writing checks
- Freedom from finance and billing fees
- Helps minimize audit adjustments at the end of the policy year

Here's How

With EasyChoice, you pay your workers' compensation premiums based on your actual payroll – one payroll period at a time.

This eliminates the need for large estimated down payments, and helps to minimize the likelihood of a large audit payment due at the end of the policy year. The process is seamlessly integrated with our payroll services that you already enjoy.
